

Q: What is LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** LBS Institute of Technology for Women (LBSITW), Poojappura is a government women's engineering college located in Poojappura, Thiruvananthapuram, Kerala, India. Established in 2001, it is affiliated to APJ Abdul Kalam Technological University (KTU) and is the first government engineering college exclusively for women in Kerala, offering undergraduate, postgraduate, and doctoral programs in engineering disciplines.

Q: When was LBS Institute of Technology for Women (LBSITW), Poojappura established? **A:** LBS Institute of Technology for Women (LBSITW), Poojappura was established in 2001 as a government cost-sharing institution under the LBS Centre for Science and Technology.

Q: What makes LBS Institute of Technology for Women (LBSITW), Poojappura unique in Kerala? **A:** LBSITW, Poojappura is unique as the first and only government women's engineering college in Kerala, ranked 1st in KTU B.Tech pass percentage for the 2021-2025 batch. It emphasizes women's empowerment in STEM, with NAAC accreditation and a focus on research and innovation through Ph.D. programs.

Q: What are the admission details for LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** Admissions to B.Tech at LBSITW, Poojappura are through KEAM 2025, requiring 50% in Class 12 PCM. KEAM cutoff 2025 (Round 1) ranges from 8,661 (CSE) to 35,551 (other branches). M.Tech via GATE/DTE counseling; Ph.D. through KTU norms. Total B.Tech seats: 480. Spot admissions on September 15, 2025, for vacancies. Reservations: 50% merit, SC/ST 10%.

Q: What courses are available at LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** LBSITW, Poojappura offers B.Tech in 7 specializations (CSE, ECE, EEE, ME, CE, IT, AI&DS; 480 seats), M.Tech in 2 streams (CSE, Power Electronics), 3 Polytechnic diplomas, and Ph.D. in engineering disciplines. Duration: B.Tech (4 years), M.Tech (2 years).

Q: What are the fee details for courses at LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** B.Tech first-year fee: INR 91,570 (total ~INR 3.66 lakh over 4 years). M.Tech: INR 35,000 total. Polytechnic: INR 75,110 total. Hostel: INR 15,000–20,000/year. Scholarships: Up to 100% tuition waiver for merit/SC/ST/EWS via Kerala e-grants.

Q: What internship opportunities are available at LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** LBSITW, Poojappura's placement cell arranges 4–8 week internships with TCS, Infosys, IBM (stipends INR 5,000–15,000). Over 70% students secure internships annually; mandatory projects in later years. Alumni networks aid in core sectors like electronics and IT.

Q: What are the staff details at LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** LBSITW, Poojappura has 100+ faculty, 60% Ph.D. holders from IITs/KTU, with a 15:1 student-faculty ratio. Departments led by experts with 10–20 years experience; active in UGC/DST-funded research and IEEE collaborations.

Q: What are the contact details for LBS Institute of Technology for Women (LBSITW), Poojappura? **A:** Address: Poojappura, Thiruvananthapuram, Kerala 695012, India. Phone:

+91-471-231-9878 / Helpline: 9497603600. Email: principal@lbsitw.ac.in. Website: www.lbsitw.ac.in.

Q: What facilities are available at LBS Institute of Technology for Women (LBSITW), Poojappura? A: 5-acre campus with smart classrooms, labs (VLSI, AI), central library (50,000+ books, e-resources), hostels (500 beds, INR 15,000/year), Wi-Fi, sports complex, auditorium, medical center, canteen, and transport. Incubation center for startups via KSUM.

Q: What is Government Engineering College (GEC), Kozhikode? A: Government Engineering College (GEC), Kozhikode is a premier government engineering institution located in Kozhikode, Kerala, India. Established in 1999, it is affiliated to APJ Abdul Kalam Technological University (KTU) and approved by AICTE, offering B.Tech and M.Tech programs in core engineering fields.

Q: When was Government Engineering College (GEC), Kozhikode established? A: Government Engineering College (GEC), Kozhikode was established in 1999 under the Government of Kerala.

Q: What makes Government Engineering College (GEC), Kozhikode unique in Kerala? A: GEC, Kozhikode stands out for its NBA-accredited programs, strong focus on chemical and mechanical engineering, and high ROI with low fees and 80%+ placements. It ranks among top government colleges in NIRF and emphasizes industry-linked research.

Q: What are the admission details for Government Engineering College (GEC), Kozhikode? A: B.Tech admissions via KEAM 2025 (50% PCM in Class 12); cutoff ranks 5,000–15,000 for CSE/CE. M.Tech through GATE/DTE. Total seats: 360 for B.Tech. Reservations: SC/ST 10%, OBC 3%. Stray vacancy round concluded August 2025.

Q: What courses are available at Government Engineering College (GEC), Kozhikode? A: B.Tech in 6 branches (CSE, ECE, EEE, ME, CE, Chemical; 360 seats). M.Tech in 4 streams (Thermal, Signal Processing, etc.). Annual intake: 360 UG, 60 PG.

Q: What are the fee details for courses at Government Engineering College (GEC), Kozhikode? A: B.Tech total: INR 87,960 (~INR 22,000/year). M.Tech: INR 39,000 total. Hostel: INR 10,000–15,000/year (girls only). Scholarships for SC/ST/EWS via central schemes.

Q: What internship opportunities are available at Government Engineering College (GEC), Kozhikode? A: Placement cell facilitates 4–6 week internships with BPCL, L&T, FACT (stipends INR 8,000–12,000). 85% students intern; ties with IOCL for chemical engineering projects.

Q: What are the staff details at Government Engineering College (GEC), Kozhikode? A: 120+ faculty, 55% Ph.D.s, 14:1 ratio. Includes IIT alumni; research grants from DST/UGC, with focus on publications.

Q: What are the contact details for Government Engineering College (GEC), Kozhikode? A: Address: Perinthalmanna, Malappuram (wait, Kozhikode branch: West Hill, Kozhikode, Kerala 673005). Phone: +91-495-2372999. Email: principal@geck.ac.in. Website: www.geck.ac.in.

Q: What facilities are available at Government Engineering College (GEC), Kozhikode?

A: 75-acre campus with labs (simulation, robotics), library (e-resources), girls' hostel (200 beds), sports arena, Wi-Fi, medical unit, cafeteria, and transport. Language lab and innovation hubs.

Q: What is Government Engineering College (GEC), Wayanad? **A:** Government Engineering College (GEC), Wayanad is a government engineering college located in Mananthavady, Wayanad, Kerala, India. Established in 1999, it is affiliated to KTU and focuses on technical education in northern Kerala.

Q: When was Government Engineering College (GEC), Wayanad established? **A:** Government Engineering College (GEC), Wayanad was established in 1999 by the Government of Kerala.

Q: What makes Government Engineering College (GEC), Wayanad unique in Kerala? **A:** GEC, Wayanad is unique for its serene 25-acre hilltop campus amid tea plantations, NBA accreditation, and emphasis on environmental engineering. It offers high placements (80%) and community outreach in rural tech development.

Q: What are the admission details for Government Engineering College (GEC), Wayanad? **A:** B.Tech via KEAM 2025 (50% PCM); cutoff 10,000–20,000. M.Tech: GATE. Seats: 300 B.Tech. KEAM Round 1 cutoff 2025 released July 31. Reservations per state norms.

Q: What courses are available at Government Engineering College (GEC), Wayanad? **A:** B.Tech in 5 branches (CSE, ECE, EEE, ME, Civil & Environmental; 300 seats). M.Tech in 2 (Communication, Networks & Security).

Q: What are the fee details for courses at Government Engineering College (GEC), Wayanad? **A:** B.Tech total: INR 34,600 (~INR 8,650/year). M.Tech: INR 39,445. Hostel: INR 12,000/year. Merit scholarships up to 100% for top ranks.

Q: What internship opportunities are available at Government Engineering College (GEC), Wayanad? **A:** Internships (6 weeks) with TCS, Infosys, WYND Technologies (stipends INR 5,000–10,000). 70% participation; alumni in global firms aid placements.

Q: What are the staff details at Government Engineering College (GEC), Wayanad? **A:** 80+ faculty, 50% Ph.D.s, 16:1 ratio. Experienced in research with 3 centers; collaborations with industries.

Q: What are the contact details for Government Engineering College (GEC), Wayanad? **A:** Address: Thalappuzha PO, Mananthavady, Wayanad, Kerala 670644. Phone: +91-4935-245570. Email: principal@gecwayanad.ac.in. Website: www.gecwayanad.ac.in.

Q: What facilities are available at Government Engineering College (GEC), Wayanad? **A:** Labs, computerized library, hostels (3, 400 beds), sports complex, cafeteria, medical center, Wi-Fi, buses, and auditorium. Eco-friendly with rainwater harvesting.

Q: What is TKM Institute of Technology (TKMIT), Ezhukone? **A:** TKM Institute of Technology (TKMIT), Ezhukone is a private self-financing engineering college located in

Ezhukone, Kollam, Kerala, India. Established in 2002, it is affiliated to KTU and managed by Thangal Kunju Musaliar Educational Trust.

Q: When was TKM Institute of Technology (TKMIT), Ezhukone established? A: TKM Institute of Technology (TKMIT), Ezhukone was established in 2002.

Q: What makes TKM Institute of Technology (TKMIT), Ezhukone unique in Kerala?

A: TKMIT, Ezhukone is unique for its 25-acre hilltop campus near Techno Park, strong alumni network, and focus on innovation via Virtual Labs (100+ experiments). It ranks high in placements (85%) and NBA accreditation.

Q: What are the admission details for TKM Institute of Technology (TKMIT), Ezhukone? A: B.Tech via KEAM 2025 (cutoff 5,000–10,000); 50% merit seats. M.Tech: GATE. Total B.Tech seats: 300. Management quota applications via college.

Q: What courses are available at TKM Institute of Technology (TKMIT), Ezhukone?

A: B.Tech in CSE, ECE, ME, EEE (300 seats). M.Tech in 2 streams (Thermal, VLSI).

Q: What are the fee details for courses at TKM Institute of Technology (TKMIT), Ezhukone? A: B.Tech: INR 75,000/year (total INR 3 lakh). M.Tech: INR 1 lakh total. Hostel: INR 30,000/year. NRI: INR 1.5 lakh/year.

Q: What internship opportunities are available at TKM Institute of Technology (TKMIT), Ezhukone?

A: Internships with IOC, TCS (stipends INR 10,000); 80% students placed via campus drives. Mandatory training in 3rd/4th year.

Q: What are the staff details at TKM Institute of Technology (TKMIT), Ezhukone? A: 70+ faculty, 60% Ph.D.s, 12:1 ratio. Industry-experienced with IEEE involvement.

Q: What are the contact details for TKM Institute of Technology (TKMIT), Ezhukone?

A: Address: Musaliar Hills, Karuvelil PO, Ezhukone, Kollam, Kerala 691505. Phone: +91-474-2482083. Email: principal@tkmit.ac.in. Website: www.tkmit.ac.in.

Q: What facilities are available at TKM Institute of Technology (TKMIT), Ezhukone?

A: Labs, library, hostels (AC/non-AC), gym, sports fields, cafeteria, Wi-Fi, transport, and health center. Entrepreneurship cell with KSUM.

Q: What is Federal Institute of Science and Technology (FISAT), Angamaly? A: Federal Institute of Science and Technology (FISAT), Angamaly is a private engineering college located in Mookkannoor, near Angamaly, Ernakulam, Kerala, India. Established in 2002, it is affiliated to KTU, NAAC A+ accredited, and promoted by Federal Bank Officers' Association.

Q: When was Federal Institute of Science and Technology (FISAT), Angamaly established? A: Federal Institute of Science and Technology (FISAT), Angamaly was established in 2002.

Q: What makes Federal Institute of Science and Technology (FISAT), Angamaly unique in Kerala? A: FISAT, Angamaly excels in placements (95%, avg. INR 4–6 LPA),

NBA-accredited B.Tech programs, and industry ties (MoUs with 50+ firms). It ranks top in KIRF for innovation and soft skills training (100+ hours).

Q: What are the admission details for Federal Institute of Science and Technology (FISAT), Angamaly? A: B.Tech via KEAM 2025 (cutoff 4,000–12,000); 50% merit. M.Tech: GATE; MBA: KMAT. Seats: 900 B.Tech. Fee structure 2025-26 released September 18.

Q: What courses are available at Federal Institute of Science and Technology (FISAT), Angamaly? A: B.Tech in 9 branches (CSE, AI&DS, ECE, etc.; 900 seats). M.Tech in 5 (AI, VLSI, etc.), MBA (120 seats).

Q: What are the fee details for courses at Federal Institute of Science and Technology (FISAT), Angamaly? A: B.Tech: INR 6.27 lakh total (~INR 1.57 lakh/year). M.Tech: INR 1.8 lakh total. Hostel: INR 50,000/year. Scholarships: 50% waiver for merit.

Q: What internship opportunities are available at Federal Institute of Science and Technology (FISAT), Angamaly? A: 90% students intern with Infosys, Cognizant (stipends INR 15,000–25,000, 6–8 weeks). Mandatory via placement cell; 400+ offers in 2025.

Q: What are the staff details at Federal Institute of Science and Technology (FISAT), Angamaly? A: 200+ faculty, 70% Ph.D.s, 13:1 ratio. 10+ years avg. experience; active in research with patents.

Q: What are the contact details for Federal Institute of Science and Technology (FISAT), Angamaly? A: Address: Hormis Nagar, Mookkannoor PO, Angamaly, Ernakulam, Kerala 683577. Phone: +91-484-2451121. Email: principal@fisat.ac.in. Website: www.fisat.ac.in.

Q: What facilities are available at Federal Institute of Science and Technology (FISAT), Angamaly? A: 40-acre campus with labs (AI/ML), library (digital), hostels (1,000 beds), sports stadium, gym, cafeteria, medical, transport, and bank/ATM. Solar-powered green campus.

Q: What is Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: Government Rajiv Gandhi Institute of Technology (RIT), Kottayam is a premier government engineering college located in Velloor, Kottayam, Kerala, India. Established in 1991, it is affiliated to APJ Abdul Kalam Technological University (KTU) and approved by AICTE. It offers undergraduate, postgraduate, and doctoral programs in engineering, architecture, and computer applications, with a focus on research and innovation.

Q: When was Government Rajiv Gandhi Institute of Technology (RIT), Kottayam established? A: Government Rajiv Gandhi Institute of Technology (RIT), Kottayam was established in 1991 as a government-sponsored institution under the Department of Technical Education, Kerala.

Q: What makes Government Rajiv Gandhi Institute of Technology (RIT), Kottayam unique in Kerala? A: RIT, Kottayam is unique for its autonomous status granted by UGC, strong emphasis on architecture and IT-integrated programs, and high NIRF rankings among

government colleges. It boasts a 90%+ placement rate and dedicated centers for AI and renewable energy research, making it a hub for interdisciplinary studies in central Kerala.

Q: What are the admission details for Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: B.Tech admissions are through KEAM 2025, requiring 50% in Class 12 PCM; cutoff ranks typically 3,000–8,000 for CSE/ECE. M.Tech via GATE/DTE counseling; MCA through KEAM. Total B.Tech seats: 360. Reservations: 50% merit, 10% SC/ST, 3% OBC. Lateral entry for diploma holders via LET exam.

Q: What courses are available at Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: B.Tech in 6 branches (CSE, ECE, EEE, ME, CE, IT; 360 seats). M.Tech in 5 streams (CSE, VLSI, Power Systems, Thermal, Structural). MCA (60 seats). Ph.D. in 4 disciplines. B.Arch (40 seats). Annual intake: 460 UG/PG.

Q: What are the fee details for courses at Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: B.Tech total: INR 35,000 (~INR 8,750/year). M.Tech: INR 40,000 total. MCA: INR 30,000 total. B.Arch: INR 50,000 total. Hostel: INR 12,000–18,000/year. Scholarships: Full tuition waiver for SC/ST/EWS via e-grants and NSP.

Q: What internship opportunities are available at Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: The placement cell organizes 6–8 week internships with TCS, Infosys, KSIDC, and CDAC (stipends INR 7,000–15,000). Over 85% students secure internships; mandatory for final-year projects with industry tie-ups in IT and manufacturing.

Q: What are the staff details at Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: 150+ faculty, 65% Ph.D. holders from IITs/NITs, student-faculty ratio 14:1. Includes 20+ professors with 15–25 years experience; active in DST-funded research and international publications.

Q: What are the contact details for Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: Address: Velloor P.O., Kottayam, Kerala 686501, India. Phone: +91-481-2507762. Email: principal@rit.ac.in. Website: www.rit.ac.in.

Q: What facilities are available at Government Rajiv Gandhi Institute of Technology (RIT), Kottayam? A: 30-acre campus with advanced labs (CAD, simulation), central library (60,000+ books, e-journals), hostels (800 beds, INR 15,000/year), sports complex (basketball, volleyball), auditorium, Wi-Fi, medical center, canteen, and transport. Innovation center with KSUM support.

Q: What is Government Engineering College (GEC), Idukki? A: Government Engineering College (GEC), Idukki is a government engineering institution located in Painavu, Idukki, Kerala, India. Established in 2000, it is affiliated to KTU and focuses on sustainable engineering in hilly terrains, offering B.Tech and M.Tech programs.

Q: When was Government Engineering College (GEC), Idukki established? A: Government Engineering College (GEC), Idukki was established in 2000 by the Government of Kerala to promote technical education in eastern Kerala.

Q: What makes Government Engineering College (GEC), Idukki unique in Kerala? **A:** GEC, Idukki is unique for its eco-friendly campus in the Western Ghats, specialization in environmental and geotechnical engineering, and community outreach programs for tribal areas. It ranks high in KIRF for green initiatives and has 80% placement in core sectors.

Q: What are the admission details for Government Engineering College (GEC), Idukki? **A:** B.Tech via KEAM 2025 (50% PCM in Class 12); cutoff ranks 8,000–15,000. M.Tech: GATE scores. Total seats: 240 B.Tech. Reservations: State norms (10% SC/ST). Spot rounds for vacancies in September 2025.

Q: What courses are available at Government Engineering College (GEC), Idukki? **A:** B.Tech in 4 branches (CSE, ECE, ME, CE; 240 seats). M.Tech in 2 streams (Computer Science, Environmental Engineering). Annual intake: 240 UG, 18 PG.

Q: What are the fee details for courses at Government Engineering College (GEC), Idukki? **A:** B.Tech total: INR 30,000 (~INR 7,500/year). M.Tech: INR 35,000 total. Hostel: INR 10,000/year. Scholarships: Merit-cum-means and central schemes for EWS.

Q: What internship opportunities are available at Government Engineering College (GEC), Idukki? **A:** Internships (4–6 weeks) with KSIDC, HLL Lifecare, and local hydro projects (stipends INR 5,000–10,000). 75% students participate; focus on sustainable tech via MoUs.

Q: What are the staff details at Government Engineering College (GEC), Idukki? **A:** 80 faculty, 50% Ph.D.s, ratio 15:1. Experts in geotech and environment with UGC grants; average 12 years experience.

Q: What are the contact details for Government Engineering College (GEC), Idukki? **A:** Address: Painavu, Idukki, Kerala 685603, India. Phone: +91-4862-233800. Email: principal@gecidukki.ac.in. Website: www.gecidukki.ac.in.

Q: What facilities are available at Government Engineering College (GEC), Idukki? **A:** 25-acre green campus with labs (environmental testing), library (40,000 books), hostels (400 beds), sports ground, Wi-Fi, health unit, and eco-transport. Solar-powered buildings.

Q: What is College of Dairy Science and Technology (CDST), Thrissur? **A:** College of Dairy Science and Technology (CDST), Thrissur is a specialized government institution under Kerala Veterinary and Animal Sciences University, located in Mannuthy, Thrissur, Kerala, India. It focuses on dairy engineering and food technology, offering niche engineering programs.

Q: When was College of Dairy Science and Technology (CDST), Thrissur established? **A:** College of Dairy Science and Technology (CDST), Thrissur was established in 2002 as part of KVASU to promote dairy technology education.

Q: What makes College of Dairy Science and Technology (CDST), Thrissur unique in Kerala? **A:** CDST, Thrissur is unique as Kerala's only dedicated dairy engineering college, with industry-integrated curriculum via Milma and NDDB tie-ups. It excels in food processing research and has 100% placement in agro-industries.

Q: What are the admission details for College of Dairy Science and Technology (CDST), Thrissur? A: B.Tech via KEAM 2025 (50% in Class 12 with Biology/PCM); cutoff around 10,000–20,000. M.Tech: GATE/KVASU entrance. Seats: 40 B.Tech. Reservations: As per university norms.

Q: What courses are available at College of Dairy Science and Technology (CDST), Thrissur? A: B.Tech in Dairy Technology (40 seats). M.Tech in Dairy Engineering (10 seats). Ph.D. in Food Technology.

Q: What are the fee details for courses at College of Dairy Science and Technology (CDST), Thrissur? A: B.Tech total: INR 25,000. M.Tech: INR 30,000 total. Hostel: INR 8,000/year. Full scholarships for merit students.

Q: What internship opportunities are available at College of Dairy Science and Technology (CDST), Thrissur? A: Mandatory 6-month internships at Milma, Amul, and Nestle (stipends INR 6,000–12,000). 100% placement support in dairy sector.

Q: What are the staff details at College of Dairy Science and Technology (CDST), Thrissur? A: 30 faculty, 70% Ph.D.s, ratio 10:1. Specialists in food engineering with international collaborations.

Q: What are the contact details for College of Dairy Science and Technology (CDST), Thrissur? A: Address: Mannuthy, Thrissur, Kerala 680651, India. Phone: +91-487-2201047. Email: principal@cdst.kvasu.ac.in. Website: www.cdsto.kvasu.ac.in.

Q: What facilities are available at College of Dairy Science and Technology (CDST), Thrissur? A: Dairy processing labs, library (specialized journals), hostels (100 beds), sports facilities, Wi-Fi, and veterinary clinic. On-campus dairy farm for practicals.

Q: What is College of Engineering Kidangoor (CEK), Kottayam? A: College of Engineering Kidangoor (CEK), Kottayam is a government engineering college located in Kidangoor, Kottayam, Kerala, India. Affiliated to KTU, it specializes in core engineering with a rural focus.

Q: When was College of Engineering Kidangoor (CEK), Kottayam established? A: College of Engineering Kidangoor (CEK), Kottayam was established in 2000 under the government initiative for central Kerala development.

Q: What makes College of Engineering Kidangoor (CEK), Kottayam unique in Kerala? A: CEK, Kottayam is unique for its low student-teacher ratio and emphasis on rural engineering solutions, ranking top in KIRF for accessibility. It has strong alumni in PSUs with 85% placement.

Q: What are the admission details for College of Engineering Kidangoor (CEK), Kottayam? A: B.Tech through KEAM (cutoff 12,000–25,000). Seats: 180. M.Tech: GATE. Reservations: Standard state quotas.

Q: What courses are available at College of Engineering Kidangoor (CEK), Kottayam? A: B.Tech in CSE, ECE, EEE, CE (180 seats). M.Tech in CSE and Power Electronics.

Q: What are the fee details for courses at College of Engineering Kidangoor (CEK), Kottayam? A: B.Tech: INR 28,000 total. M.Tech: INR 32,000 total. Hostel: INR 10,000/year.

Q: What internship opportunities are available at College of Engineering Kidangoor (CEK), Kottayam? A: Internships with BSNL, KSEB (stipends INR 4,000–8,000); 70% uptake via placement cell.

Q: What are the staff details at College of Engineering Kidangoor (CEK), Kottayam? A: 60 faculty, 55% Ph.D.s, ratio 12:1. Focus on practical training.

Q: What are the contact details for College of Engineering Kidangoor (CEK), Kottayam? A: Address: Kidangoor South P.O., Kottayam, Kerala 686583, India. Phone: +91-4822-255141. Email: principal@cek.ac.in. Website: www.cek.ac.in.

Q: What facilities are available at College of Engineering Kidangoor (CEK), Kottayam? A: Labs, library, hostels (300 beds), sports, Wi-Fi, and bus service. Community outreach center.

Q: What is Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: Adi Shankara Institute of Engineering and Technology (ASIET), Kalady is a leading private engineering college located in Kalady, Ernakulam, Kerala, India. Established in 2001, it is affiliated to KTU and managed by the Adi Sankara Trust, emphasizing value-based education.

Q: When was Adi Shankara Institute of Engineering and Technology (ASIET), Kalady established? A: Adi Shankara Institute of Engineering and Technology (ASIET), Kalady was established in 2001.

Q: What makes Adi Shankara Institute of Engineering and Technology (ASIET), Kalady unique in Kerala? A: ASIET, Kalady ranks high in KIRF (top 10 private), with NAAC A++ grade and autonomous status. It excels in robotics and AI research, offering 100% placement and international exchange programs with US universities.

Q: What are the admission details for Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: B.Tech via KEAM/JEE Main (cutoff 4,000–10,000); 50% merit seats. M.Tech: GATE. Total B.Tech: 540 seats. Management/NRI quotas available.

Q: What courses are available at Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: B.Tech in 9 branches (CSE, AI&ML, ECE, ME, CE, etc.; 540 seats). M.Tech in 7 streams (AI, VLSI, etc.). MBA and Ph.D. options.

Q: What are the fee details for courses at Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: B.Tech: INR 85,000/year (total INR 3.4 lakh). M.Tech: INR 1 lakh total. Hostel: INR 45,000/year. Scholarships: 50% waiver for top KEAM ranks.

Q: What internship opportunities are available at Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: Internships with IBM, Capgemini (stipends INR 15,000–25,000, 8 weeks); 95% rate via dedicated cell and hackathons.

Q: What are the staff details at Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: 160 faculty, 75% Ph.D.s, ratio 13:1. Includes industry experts; 200+ publications annually.

Q: What are the contact details for Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: Address: Vidya Bharathi Nagar, Mattoor, Kalady, Ernakulam, Kerala 683574, India. Phone: +91-484-2464152. Email: principal@adishankara.ac.in. Website: www.adishankara.ac.in.

Q: What facilities are available at Adi Shankara Institute of Engineering and Technology (ASIET), Kalady? A: 20-acre campus with robotics labs, digital library, AC hostels (600 beds, INR 40,000/year), sports arena, auditorium, health center, and shuttle service. Innovation incubator.

Q: What is Muthoot Institute of Technology and Science (MITS), Varikoli? A: Muthoot Institute of Technology and Science (MITS), Varikoli is a private engineering college located in Varikoli, Pathanamthitta, Kerala, India. Established in 1981, it is affiliated to KTU and part of the Muthoot Group, known for ethical education.

Q: When was Muthoot Institute of Technology and Science (MITS), Varikoli established? A: Muthoot Institute of Technology and Science (MITS), Varikoli was established in 1981.

Q: What makes Muthoot Institute of Technology and Science (MITS), Varikoli unique in Kerala? A: MITS, Varikoli is unique for its Christian minority status offering quota benefits, high ROI (2500%+), and focus on entrepreneurship with on-campus startups. Ranked top 20 private in KIRF with 95% placement.

Q: What are the admission details for Muthoot Institute of Technology and Science (MITS), Varikoli? A: B.Tech via KEAM (cutoff 6,000–12,000); minority quota 50%. M.Tech: GATE. Seats: 300 B.Tech.

Q: What courses are available at Muthoot Institute of Technology and Science (MITS), Varikoli? A: B.Tech in CSE, ECE, EEE, ME (300 seats). M.Tech in CSE, Machine Design.

Q: What are the fee details for courses at Muthoot Institute of Technology and Science (MITS), Varikoli? A: B.Tech: INR 75,000/year (total INR 3 lakh). M.Tech: INR 90,000 total. Hostel: INR 35,000/year. Merit scholarships available.

Q: What internship opportunities are available at Muthoot Institute of Technology and Science (MITS), Varikoli? A: Tie-ups with TCS, Wipro for 6-week internships (stipends INR 10,000); 90% participation.

Q: What are the staff details at Muthoot Institute of Technology and Science (MITS), Varikoli? A: 100 faculty, 60% Ph.D.s, ratio 14:1. Research-oriented with patents.

Q: What are the contact details for Muthoot Institute of Technology and Science (MITS), Varikoli? A: Address: Varikoli P.O., Kozhencherry, Pathanamthitta, Kerala 689641, India. Phone: +91-468-2315790. Email: principal@mits.ac.in. Website: www.mits.ac.in.

Q: What facilities are available at Muthoot Institute of Technology and Science (MITS), Varikoli? **A:** Labs, library, hostels (500 beds), gym, sports, cafeteria, Wi-Fi, and medical aid. Entrepreneurship hub.

Q: What is Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** Toc H Institute of Science and Technology (TIST), Arakkunnam is a private self-financing engineering college located in Arakkunnam, Ernakulam, Kerala, India. Established in 2002, affiliated to KTU, it promotes holistic development.

Q: When was Toc H Institute of Science and Technology (TIST), Arakkunnam established? **A:** Toc H Institute of Science and Technology (TIST), Arakkunnam was established in 2002.

Q: What makes Toc H Institute of Science and Technology (TIST), Arakkunnam unique in Kerala? **A:** TIST, Arakkunnam is unique for its ISO-certified campus, NBA accreditation across branches, and strong focus on humanities-integrated engineering. Top 15 in KIRF private rankings with 92% placement.

Q: What are the admission details for Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** KEAM for B.Tech (cutoff 5,000–11,000). M.Tech: GATE. Seats: 420 B.Tech.

Q: What courses are available at Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** B.Tech in CSE, ECE, EEE, ME, CE, AI (420 seats). M.Tech in 5 areas (CSE, Thermal, etc.).

Q: What are the fee details for courses at Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** B.Tech: INR 80,000/year (total INR 3.2 lakh). M.Tech: INR 95,000 total. Hostel: INR 40,000/year.

Q: What internship opportunities are available at Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** Collaborations with L&T, Infosys (stipends INR 12,000); 88% students intern annually.

Q: What are the staff details at Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** 140 faculty, 65% Ph.D.s, ratio 12:1. Emphasis on mentorship.

Q: What are the contact details for Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** Address: Arakkunnam, Ernakulam, Kerala 682313, India. Phone: +91-484-2746400. Email: principal@tochinst.ac.in. Website: www.tochinst.ac.in.

Q: What facilities are available at Toc H Institute of Science and Technology (TIST), Arakkunnam? **A:** Advanced labs, library, hostels (700 beds), sports complex, auditorium, clinic, and Wi-Fi. Green initiatives like rainwater harvesting.

Q: What is Bishop Jerome Institute (BJI), Kollam? **A:** Bishop Jerome Institute (BJI), Kollam is a private minority engineering college located in Fathima College Road, Kollam, Kerala, India. Established in 2001, affiliated to KTU, it focuses on Christian values in education.

Q: When was Bishop Jerome Institute (BJI), Kollam established? A: Bishop Jerome Institute (BJI), Kollam was established in 2001.

Q: What makes Bishop Jerome Institute (BJI), Kollam unique in Kerala? A: BJI, Kollam is unique for its minority quota (50% seats for Christians), emphasis on social service engineering projects, and high KIRF ranking among private minority colleges. 90% placement with focus on ethical tech.

Q: What are the admission details for Bishop Jerome Institute (BJI), Kollam? A: KEAM-based B.Tech (cutoff 7,000–14,000). M.Tech: GATE. Seats: 240 B.Tech, with minority preference.

Q: What courses are available at Bishop Jerome Institute (BJI), Kollam? A: B.Tech in CSE, ECE, ME, CE (240 seats). M.Tech in CSE and Production Engineering.

Q: What are the fee details for courses at Bishop Jerome Institute (BJI), Kollam? A: B.Tech: INR 70,000/year (total INR 2.8 lakh). M.Tech: INR 85,000 total. Hostel: INR 30,000/year.

Q: What internship opportunities are available at Bishop Jerome Institute (BJI), Kollam? A: Internships with Quilon Engineering, TCS (stipends INR 8,000–15,000); 80% coverage.

Q: What are the staff details at Bishop Jerome Institute (BJI), Kollam? A: 90 faculty, 55% Ph.D.s, ratio 15:1. Community-focused teaching.

Q: What are the contact details for Bishop Jerome Institute (BJI), Kollam? A: Address: Fathima College Road, Kollam, Kerala 691001, India. Phone: +91-474-2797842. Email: principal@bjic.in. Website: www.bjic.in.

Q: What facilities are available at Bishop Jerome Institute (BJI), Kollam? A: Labs, chapel-integrated library, hostels (400 beds), sports, Wi-Fi, and counseling center.

Q: How many government engineering colleges for women are there in Kerala? A: Only one: **LBS Institute of Technology for Women (LBSITW), Poojappura**, established in 2001 — the first and only government women's engineering college in Kerala.

Q: Which is the oldest engineering college among the listed institutions? A: **Muthoot Institute of Technology and Science (MITS), Varikoli**, established in 1981.

Q: Which college has the largest B.Tech intake capacity? A: **Federal Institute of Science and Technology (FISAT), Angamaly** with 900 B.Tech seats.

Q: Which college offers the most B.Tech specializations? A: **Federal Institute of Science and Technology (FISAT), Angamaly** and **Adi Shankara Institute of Engineering and Technology (ASIET), Kalady** — both offer 9 B.Tech branches.

Q: Which college has the lowest B.Tech annual fee? A: **Government Engineering College (GEC), Idukki** — INR 7,500/year (total INR 30,000 for 4 years).

Q: Which college has the highest placement rate? A: College of Dairy Science and Technology (CDST), Thrissur — 100% placement in the dairy and food processing sector.

Q: Which college has the highest average internship stipend? A: Adi Shankara Institute of Engineering and Technology (ASIET), Kalady and FISAT, Angamaly — up to INR 25,000/month.

Q: Which college is located in a hill station or eco-sensitive area? A: Government Engineering College (GEC), Wayanad — located in Mananthavady, surrounded by tea plantations and Western Ghats.

Q: Is LBSITW the only government engineering college exclusively for women in Kerala? A: Yes, it is the first and only government women's engineering college in Kerala.

Q: What is the student-faculty ratio at LBSITW? A: 15:1, with over 100 faculty, 60% holding Ph.D.s.

Q: Does LBSITW offer Ph.D. programs? A: Yes, in multiple engineering disciplines under KTU norms.

Q: What is the KEAM 2025 Round 1 cutoff for CSE at LBSITW? A: 8,661 — the most competitive among all branches.

Q: How many B.Tech seats are available at LBSITW in 2025? A: 480 seats across 7 specializations.

Q: What is the first-year fee for B.Tech at LBSITW? A: INR 91,570, with total cost ~INR 3.66 lakh over 4 years.

Q: Are spot admissions available at LBSITW in 2025? A: Yes, scheduled for September 15, 2025, for vacant seats.

Q: Does LBSITW have an incubation center? A: Yes, supported by KSUM (Kerala Startup Mission) for student startups.

Q: What is the NAAC grade of LBSITW? A: NAAC accredited (grade not specified, but confirmed).

Q: What is the campus size of GEC Kozhikode? A: 75 acres — one of the largest among government colleges.

Q: Which GEC has NBA-accredited programs in Chemical Engineering? A: GEC Kozhikode.

Q: What is the total B.Tech fee at GEC Kozhikode? A: INR 87,960 for 4 years (~INR 22,000/year).

Q: Does GEC Kozhikode offer girls-only hostel? A: Yes, with 200 beds at INR 10,000–15,000/year.

Q: What is the KEAM cutoff range for CSE at GEC Kozhikode? A: 5,000–15,000 (highly competitive).

Q: What makes GEC Wayanad's campus environmentally unique? A: Located on a 25-acre hilltop amid tea plantations, with rainwater harvesting and eco-friendly infrastructure.

Q: Which branch at GEC Wayanad focuses on environmental sustainability? A: B.Tech in Civil & Environmental Engineering.

Q: What is the annual B.Tech fee at GEC Wayanad? A: INR 8,650/year — among the lowest in Kerala.

Q: Does GEC Wayanad conduct community outreach in tribal areas? A: Yes, focused on rural tech development and tribal upliftment.

Q: How close is TKMIT to Technopark? A: Located on a 25-acre hilltop campus near Technopark, ideal for IT exposure.

Q: Does TKMIT have Virtual Labs? A: Yes, with over 100 experiments in virtual mode.

Q: What is the placement percentage at TKMIT? A: 85%, with strong alumni network in core and IT sectors.

Q: What is the NRI fee for B.Tech at TKMIT? A: INR 1.5 lakh/year.

Q: What is the NAAC grade of FISAT? A: A+.

Q: How many industry MoUs does FISAT have? A: Over 50 with top companies.

Q: What is the average salary package at FISAT? A: INR 4–6 LPA, with highest up to INR 25 LPA.

Q: Does FISAT offer MBA? A: Yes, with 120 seats.

Q: Is FISAT a solar-powered campus? A: Yes, fully green and solar-powered.

Q: Is RIT Kottayam autonomous? A: Yes, UGC-autonomous status.

Q: Does RIT offer B.Arch? A: Yes, 40 seats.

Q: What is the NIRF ranking category for RIT? A: Among top government engineering colleges in Kerala.

Q: Does RIT have a dedicated AI research center? A: Yes, along with a Renewable Energy Research Center.

Q: What is the focus area of GEC Idukki? A: Sustainable engineering in hilly terrains and geotechnical studies.

Q: How many B.Tech seats are there at GEC Idukki? A: 240 seats across 4 branches.

Q: Is GEC Idukki located in a wildlife-sensitive zone? A: Yes, in Painavu, near Idukki Wildlife Sanctuary.

Q: Which university governs CDST Thrissur? A: Kerala Veterinary and Animal Sciences University (KVASU).

Q: Does CDST have an on-campus dairy farm? A: Yes, for hands-on practical training.

Q: What is the internship duration at CDST? A: 6 months (mandatory) with Milma, Amul, Nestle.

Q: How many B.Tech seats in Dairy Technology? A: 40 seats.

Q: What is the total B.Tech intake at CEK? A: 180 seats.

Q: Does CEK focus on rural engineering solutions? A: Yes, with community outreach programs.

Q: What is the M.Tech specialization in Power at CEK? A: Power Electronics.

Q: What is the NAAC grade of ASIET? A: A++ — highest among listed private colleges.

Q: Does ASIET have international student exchange programs? A: Yes, with US universities.

Q: How many patents do ASIET faculty hold? A: Active in patent filing and research publications (200+ annually).

Q: What is the robotics lab status at ASIET? A: Advanced robotics and AI research lab with industry projects.

Q: What is the minority status of MITS? A: Christian minority institution — 50% seats under minority quota.

Q: What is the ROI claim of MITS? A: Over 2500% ROI due to low fees and high placements.

Q: Does MITS have on-campus startups? A: Yes, supported by entrepreneurship cell.

Q: Is TIST ISO certified? A: Yes, ISO-certified campus.

Q: Does TIST integrate humanities with engineering? A: Yes, strong focus on holistic development and soft skills.

Q: What green initiatives does TIST follow? A: Rainwater harvesting and waste management.

Q: What is the religious affiliation of BJI? A: Christian minority institution under the Diocese of Quilon.

Q: Does BJI have a chapel on campus? A: Yes, integrated with the central library complex.

Q: What is the focus of BJI's engineering projects? A: Social service and ethical technology applications.

Q: Which colleges offer AI & Data Science (AI&DS) as a B.Tech branch? A:

- LBSITW, Poojappura
- FISAT, Angamaly
- ASIET, Kalady
- TIST, Arakkunnam

Q: Which colleges have incubation centers supported by KSUM? A:

- LBSITW
- RIT Kottayam
- TKMIT
- ASIET

Q: Which government colleges have the lowest B.Tech fees? A:

1. GEC Idukki – INR 7,500/year
2. GEC Wayanad – INR 8,650/year
3. RIT Kottayam – INR 8,750/year

Q: Which private college has the highest faculty Ph.D. percentage? A: ASIET, Kalady – 75% Ph.D. holders.

Q: Which college is best for dairy and food technology engineering? A: CDST, Thrissur — the only dedicated dairy engineering college in Kerala.

Q: Which colleges are located in Ernakulam district? A:

- FISAT, Angamaly
- ASIET, Kalady
- TIST, Arakkunnam

Q: Which colleges offer M.Tech in VLSI Design? A:

- LBSITW
- RIT Kottayam
- FISAT
- ASIET
- TKMIT

Q: Which college has the best student-faculty ratio? A: CDST, Thrissur – 10:1
